"Learning is a lifelong process
but it must be developed
from solid foundation
in its formative years"

Every child has
abundant store
of innate potential and
we have technique to
Bring out their best.
Thus we dont teach
but create environment
for them to learn

Introduction

It is a matter of immense pride and joy in introducing Kids Pride. It is an american style play school, situated in C-11 block of Yamuna Vihar, Delhi-110053. Kids pride came into existence in the year 2005. Since then it is making rapid stride and established as leading play school of Yamuna Vihar, Delhi by providing quality education. Parents have shown immense faith in school and its faculty.

Our Endeavour

Tiny Tots are like clay, soft, delicate, easily malleable, they need masterful touches of a skilled potter, because every deft touch of expressions tiny tots is subjected to, is imbibed as permanent impression which later becomes character of person. With this basic approach. It's our endeavour to make your ward a responsible, self reliant, assiduous and courteous learner. We have conceived our curriculum as per their needs. We create an where learning is a joyful activity.

Our Curriculum

- Develop the child's Physical and mental health.
- Settle the child's emotional status, help to adjust in school and social environment.
- Develop the child's aesthetic appreciations.
- Provide plate form for acquiring meaning full concepts.
- Foster Readiness in all areas of learning
- Exposure to face reality and help them to learn ways to solve their problems.
